LOCAL SELF-GOVERNMENT DEPARTMENT

(Public Health)

G.O. No. 1219, P.H., 29th August 1922

Addendum—Type-designs for rat-proof grain godowns.

Order—No. 1219, P.H., dated 29th August 1922.

In view of certain defects pointed out in the type-designs Nos. 175 and 176 for rat-proof grain godowns issued by the Sanitary Board in its proceedings No. 406-S., dated 10th September 1919, the Public Health Board proposed certain modifications and suggested that the municipal councils of Ootacamund, Coonoor, Salem and Coimbatore should be asked to undertake the experimental construction of grain godowns on the model annexed to this order.

The suggestion is commended to these municipal councils for adoption, and they are requested to submit applications for any loans that may be required for the purpose before 1st October next.

(By order of the Government, Ministry of Local Self-Government)

ANNEXURE.

Addendum to the Sanitary Board Proceedings, No. 406/S., dated 10th September 1919.

In the type-designs Nos. 175 and 176 issued with the Proceedings of the Sanitary Board No. 406/S., dated 10th September 1919, for rat-proof grain godowns '(1) a strip of expanded metal, ½ inch mesh, should be built into the floor and the wall at floor level so as to prevent rats getting into the godown at the junction of the floor and the wall as per sketch A, and (2) the external doors should be protected both inside and out by triangular iron plates 6" × 6" × $\frac{1}{16}$ inch secured to both the bottom corners of both shutters as per sketch B. The doors should be provided with bolts and hasps so as to ensure that it is properly shut. The increase in cost on account of these additions will be Rs. 40 for type-design No. 175 and Rs. 80 for type-design No. 176.
